The Newfane Business Association is a non-profit organization of local businesses in the greater Newfane area. Our purpose is to promote business and create consumer interest in Newfane, Vermont and environs by:

1. Group effort advertising
2. Making Newfane attractive in keeping with town history and status as a National Historic Site
3. Offering cultural and other activities for enjoyment of residents and visitors

All of our fund raising and community activities are accomplished through the volunteer efforts of our members. Active members make it possible to fulfill our goals more easily and lighten the workload. Monthly meetings promote knowledge and understanding of our business interests and also bring members together socially. We hope you will join us or renew your membership by returning the application below no later than July 1st, 2009.

Please return with check for **\$60.00** to:
